**Service charges and taxes** All food and beverage arrangements are subject to applicable sales tax and a combined 20% gratuity & taxable service charge. The taxable service charge is based on service style, location, and event size. Service fees will be added to the initial quote for full transparency. A non-refundable \$100.00 retainer is required to save the date. This will be applied to the final bill after the event. There is also a 35% deposit required within 1 week after the tasting. If not paid the date will be reopened and the retainer will not be refunded. All event numbers must be finalized 2 weeks before the event. Final Payment is due the day of the event. If payment is not received services will not be rendered. (Payment arrangements can be made as long as it's discussed before event date).

**Tastings:** Scratch Farmhouse Catering does not offer wedding tastings between the months of April – October. Wedding tastings for upcoming calendar years can be scheduled between December - March. If the interested party is in need of a last-minute tasting or is not available during the listed months the cater will work with the party to make other arrangements. However, this courtesy is not guaranteed. Tastings are complimentary only for the bride and groom any additional people will be \$20 per person. Complimentary tastings include entrée items only, if additional items are requested the party will be charged accordingly. Scratch Farmhouse Catering will keep the non-refundable \$100 retainer for parties that do not finalize a booking.
